Alloco: un segno verticale che si apre e si trasforma.
Alloco: a vertical gesture that unfolds and transforms.

ALLO SLIM 70

Progettato per definire il tuo ambiente
Struttura autoportante.

*Designed to shape your space.
A self-standing structure.*

a l l o c o

Un oggetto di design che unisce leggerezza visiva, funzionalità e versatilità.

A design piece that blends visual lightness, function, and versatility.

Alloco è un profilo verticale scatolare in alluminio verniciato, realizzato in Italia, che integra un braccio apribile dal quale scende una tenda.

Made in Italy, Alloco is a sleek vertical aluminum profile with a fold-out arm that releases a flowing curtain.

Un gesto semplice che trasforma lo spazio: crea privacy, migliora il comfort acustico e regola la luce, schermando quando necessario.

A simple movement that transforms space — offering privacy, acoustic comfort, and light control when desired.

Un segno minimale, elegante e intelligente, che ridefinisce il concetto di tenda autoportante.

A minimal, elegant, and intelligent gesture that redefines the idea of the self-standing curtain.

Non è solo un sistema di separazione, ma anche una superficie di comunicazione e interazione, ideale per ambienti contract, uffici, edifici pubblici o contesti domestici che richiedono soluzioni dinamiche e non invasive.

Mobile e regolabile in altezza, Alloco può essere ricollocato con facilità, adattandosi ai contesti e alle esigenze più diverse.

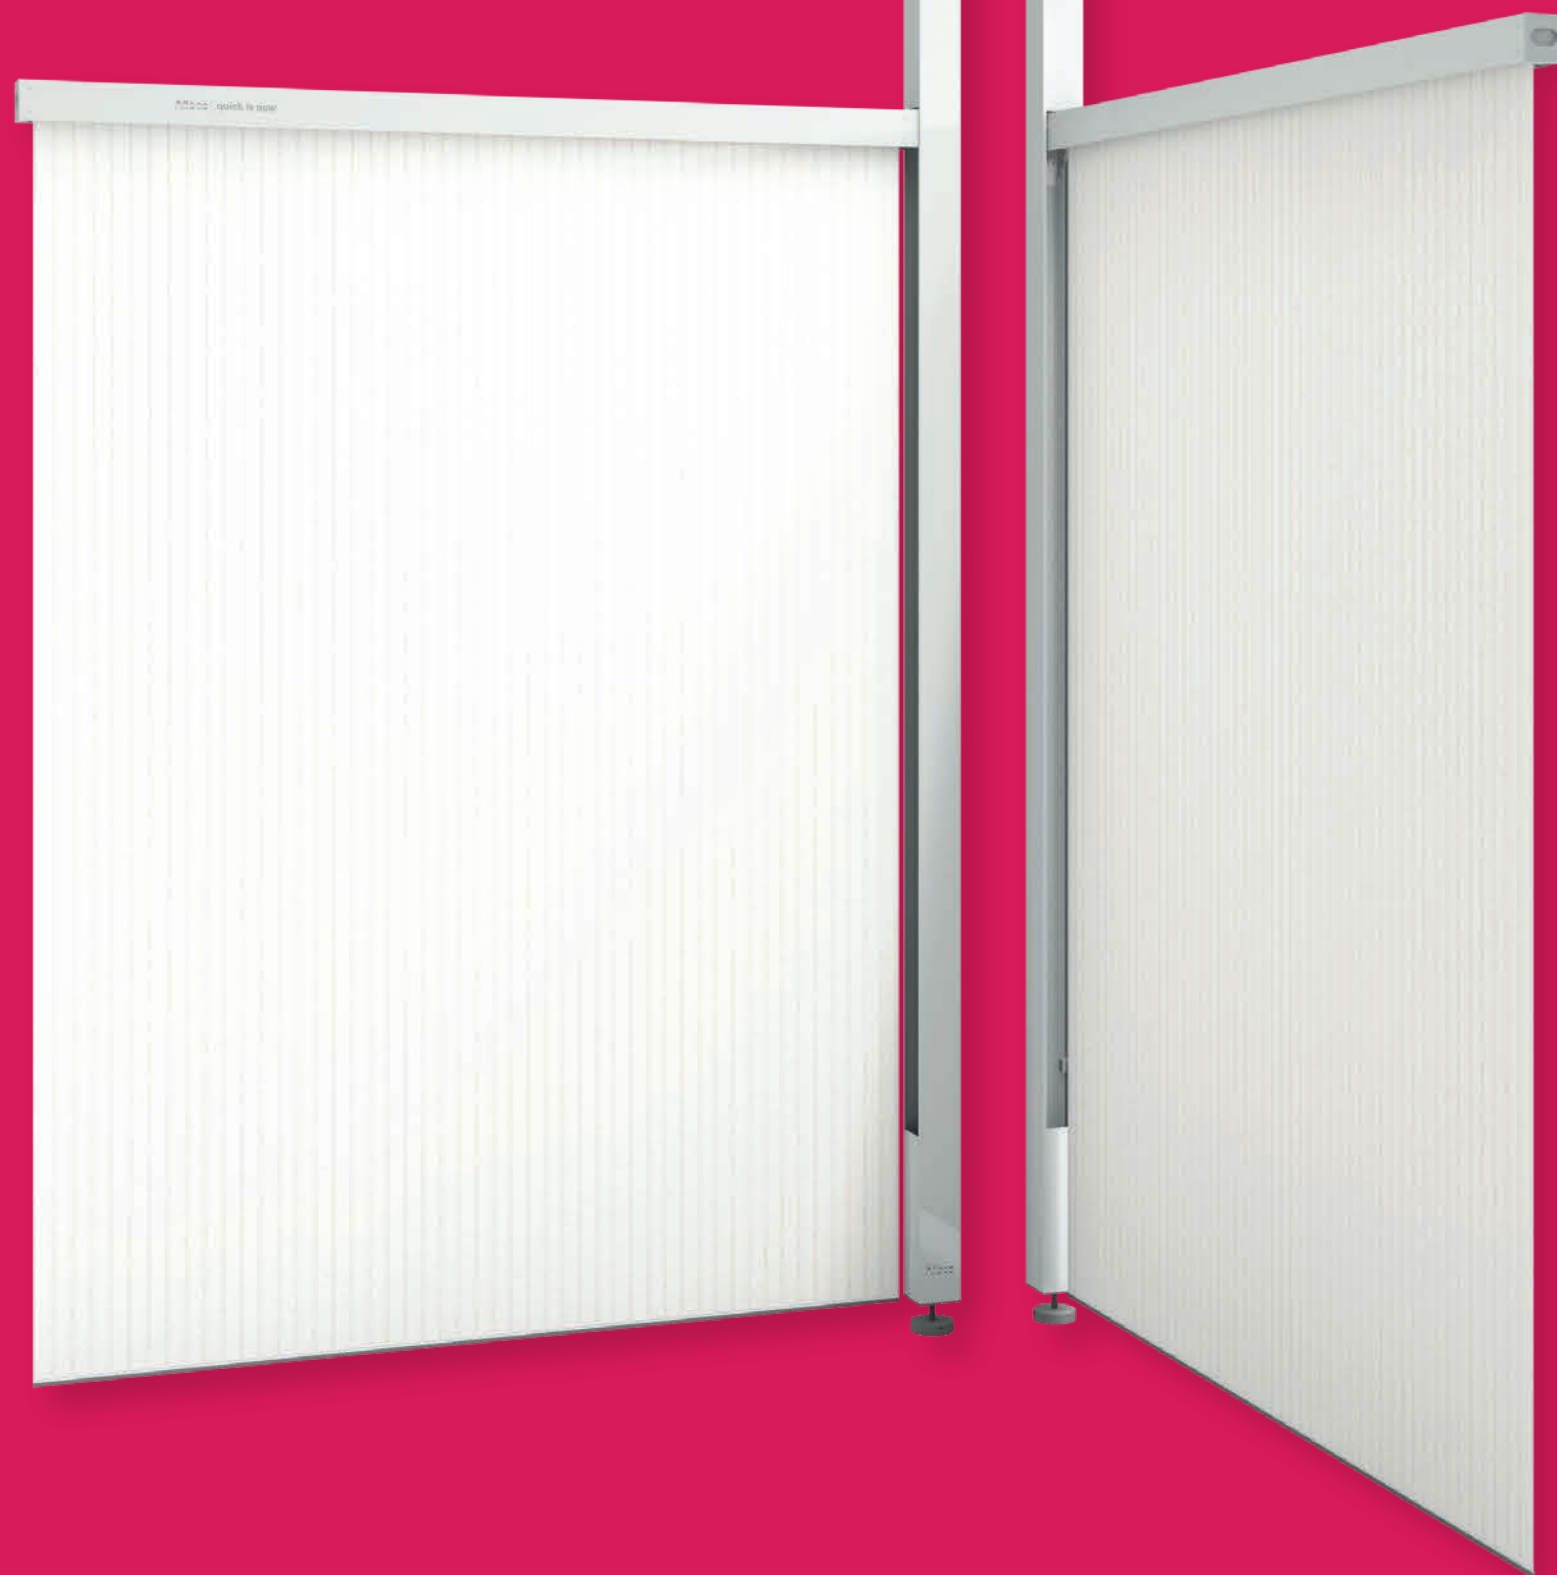

È disponibile in diverse altezze standard – 2100, 2300, 2700, 2800, 3000, 3100 mm, oltre a misure personalizzate – con piedini regolabili che compensano fino a 50

More than a partition system, Alloco becomes a surface for communication and interaction — ideal for contract spaces, offices, public buildings, or domestic interiors seeking dynamic and discreet solutions.

Fully mobile and height-adjustable, it can be effortlessly repositioned to suit different settings and needs.

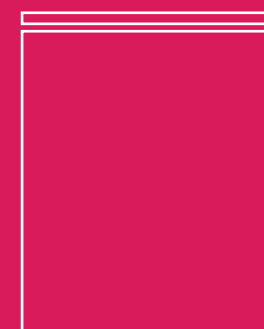

Available in standard heights — 2100, 2300, 2700, 2800, 3000, and 3100 mm — or custom sizes, with adjustable feet allowing for up to 50 mm
